The show jumping league is intended to encourage riders and horses to progress through the levels year on year, therefore riders will remain in their nominated league throughout the four league competitions.

Riders are eligible to enter **any two** classes, their **nominated league class** and the class directly **above or below**. **Horse and rider combinations will only accrue points for their nominated league class**. The "extra", non-nominated class must be **HC**. If the classes are over-subscribed the organiser reserves the right to ballot out any non-designated class entries.

***\*\*\*Please remember to state your nominated league class when placing entry***
